

The ECK Star

“The ECK newsletter assists the Living ECK Master by providing a golden link of communication within the ECK community. Its main purpose is to let ECKists and the interested public know about upcoming Eckankar events. However, the ECK newsletter can also be a way...to share experiences and insights in ECK.”

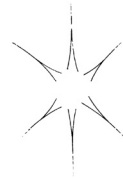

What The ECK Star Provides

The ECK Star is a monthly newsletter that delivers spiritual inspiration. Along with an event calendar and description of workshops and worship services, the newsletter includes stories of people just like you, seeking more in life.

Subscribe today and stay informed of all ECK events for the local Portland-Metro area.

Please note that there are two different issues for The ECK Star: the public issue and the chela issue (for ECK members only). When ordering your issue of The ECK Star, please select the correct newsletter that fits you. Thank you.
